

THE AGA KHAN UNIVERSITY

WHS  
Regional  
Meeting

NAIROBI | APRIL 27 - 29  
**2026**

## High-Level Engagement

### World Health Summit Regional Meeting 2026

#### Partnership Invitation for Strategic Partner

The WHS Regional Meeting 2026 will be hosted in Nairobi by the Aga Khan University-Kenya. The meeting presents a unique platform to foster connections, share innovative ideas, and collaborate on addressing some of the most urgent health challenges worldwide. This marks the second time the WHS Regional Meeting is held in East Africa and the second on the African continent. <https://www.worldhealthsummit.org/regional-meeting/2026-kenya.html>

The World Health Summit (WHS), established in 2009, is one of the world's foremost strategic platforms for global health. It convenes leaders from politics, science, civil society, and the private sector to shape the global health agenda.

#### Join Us in Nairobi!

We are thrilled to welcome you to the WHS Regional Meeting 2026 in Nairobi, a dynamic hub at the forefront of both African and global health initiatives.

THE AGA KHAN UNIVERSITY

WHS  
Regional  
Meeting

NAIROBI | APRIL 27 - 29  
**2026**

- **Thought Leadership & Knowledge Sharing:** Contribute to critical conversations on global health challenges and solutions while reinforcing your role as a thought leader in the field.
- **Amplified Brand Exposure:** Benefit from media coverage, social media presence, and conference visibility to significantly boost your brand's reach and impact.
- **Informed Strategic Positioning:** Access cutting-edge insights on global health trends, innovations, and emerging challenges to inform your organization's planning and priorities.
- **Support for Regional Health Agendas:** Align your efforts with pressing regional health needs and demonstrate commitment to strengthening health systems and equity in Africa and beyond.

## Objectives and Participants

The meeting aims to convene a diverse group of participants, including heads of state and government, cabinet secretaries, senior private sector leaders, executives of international organizations, leading scientists, healthcare professionals, civil society representatives, individuals with lived experiences, young professionals, and students, to foster inclusive dialogue and collaboration. It offers a platform to focus on regional health priorities, highlight pressing public health challenges, promote evidence-based solutions, and influence health outcomes at local, regional, and global levels. Through strategic partnerships, the meeting seeks to ensure Africa's voice is amplified in shaping the global health agenda.
